

Message to members & friends of Carey Baptist Church - from the leadership team

In response to current health advice, Carey is suspending all its activities until further notice. Please be assured of our continuing prayers for you all in these challenging times. We will be keeping in touch with everyone by a variety of means. If you are able to use a computer, please keep an eye on the church website, where we will soon be posting recordings of prayers, readings and a message from Colin, our minister. See: <http://www.careybaptisthemel.org.uk/media>.

As I said last Sunday morning, we are living in extraordinary times, but we worship and follow an extraordinary Saviour.

If you need to speak to someone, or need some help, please call Colin on 01442 256433, or alternatively speak to someone on the pastoral team or to one of the deacons.

Some members have asked for the church's bank details, so that they can keep giving via BACS. However, we recognise that these times are not only emotionally difficult but financially difficult also. So please only continue to give if you are able. These are Carey's bank details:
Sort Code: 40-52-40, Account No: 00021622.

Churches Together for Britain & Ireland have called a national day of prayer for Sunday, so we encourage you to join in with this from home. People are being encouraged, amongst other things, to (safely!) light a candle and place it in your window at home at 7pm on Sunday as a sign of hope and in national solidarity. Please visit the CTBI website for further details and prayers:

Let us continue to rejoice that 'The LORD is near'.

'I want people everywhere to lift up holy hands in prayer' (1 Tim 2:8).

Shalom in Jesus,
Colin
